FOO/157822

**PRELIMINARY RECITALS**

Pursuant to a petition filed May 20, 2014, under Wis. Admin. Code § HA 3.03(1), to review a decision by the Milwaukee Enrollment Services in regard to FoodShare benefits (FS), a hearing was held on June 17, 2014, at Milwaukee, Wisconsin.

The issue for determination is whether evidence has been submitted that demonstrates that Petitioner meets the standards necessary for replacement of food purchased with FoodShare benefits due to the loss of food after a fire at her residence.

There appeared at that time and place the following persons:

**FINDINGS OF FACT**

1. Petitioner (CARES # [REDACTED]) is a resident of Milwaukee County.
2. Petitioner filed this appeal seeking replacement of lost food purchased with FoodShare benefits. Petitioner indicates that the food was ruined and/or destroyed in a house fire. The Red Cross confirmed the loss and housed Petitioner in a hotel after the fire. The fire occurred on April 22, 2014.
3. Petitioner filed an application for replacement of FoodShare on May 14, 2014.

## DISCUSSION

Food purchased with FoodShare benefits and destroyed in a household misfortune can be replaced up to the actual amount destroyed, but not more than the monthly allotment issued for that month, whichever is less. See, *FoodShare Wisconsin Handbook* § 7.1.1.5; 7 C.F.R. § 274.6(a)(3). The household must report the loss within 10 days, and file a request for replacement FoodShare with the Department's agent. *FoodShare Wisconsin Handbook* § 7.1.1.5. A household misfortune includes, but is not limited to, a disaster, fire or flood, or like event causing destruction of food. 7 C.F.R. § 274.6(f)(2). Finally, the agency must determine that the destruction occurred in a household misfortune or disaster, such as, but not limited to, a fire or flood. 7 C.F.R. § 274.6(f)(2). There are no other stated limitations as to what constitutes a "household misfortune". Nonetheless:

...  
 (3) *Replacement restrictions.* (i) Replacement issuances shall be provided only if a household timely reports a loss orally or in writing. The report will be considered timely if it is made to the State agency within 10 days of the date food purchased with Program benefits is destroyed in a household misfortune.

...  
 7 CFR 274.6(a)(3).

State policy follows Federal law:

### **7.1.1.5 Replacement Issuance for Destroyed Food**

Replace food purchased with FoodShare benefits and destroyed in a household misfortune up to the actual amount destroyed but not more than the monthly allotment actually issued to the household that month, whichever is less.

A replacement issuance shall be provided only if a household:

1. Reports the loss orally or in writing to the agency within 10 days of the date the loss occurred.
2. Completes a "Request for Replacement FoodShare Benefits" ([F-00330](#)). This can be completed and dropped off at the agency, mailed, or faxed to the agency, but must be received by the agency within 10 days of when the household reports the loss.

A replacement issuance must be provided to the household within 10 days after report of the loss. Verify the household misfortune through the fire department, police department, a community organization such as the Red Cross, a collateral contact or home visit, etc.

Deny or delay a replacement issuance if available documentation indicates that the household's request for replacement appears to be fraudulent.

Inform the household of its right to a fair hearing to contest the denial or delay of a replacement issuance. Replacements shall not be made while the denial or delay is being appealed.

A household may experience such a loss more than once. There is no limit to the number of replacement issuances.

Here the request for replacement was filed more than 10 days after the loss. By Federal law the request for the replacement must be made within 10 days. The Division of Hearings and Appeals cannot change the Federal requirement.

## CONCLUSIONS OF LAW

That Petitioner's request for replacement of FoodShare was not submitted within the federally required 10 days of loss thus the request for replacement was correctly denied.

**THEREFORE, it is**

**ORDERED**

That this appeal is dismissed.

**REQUEST FOR A REHEARING**

This is a final administrative decision. If you think this decision is based on a serious mistake in the facts or the law, you may request a rehearing. You may also ask for a rehearing if you have found new evidence which would change the decision. Your request must explain what mistake the Administrative Law Judge made and why it is important or you must describe your new evidence and tell why you did not have it at your first hearing. If you do not explain these things, your request will have to be denied.

You may also appeal this decision to Circuit Court in the county where you live. Appeals must be served and filed with the appropriate court no more than 30 days after the date of this hearing decision (or 30 days after a denial of rehearing, if you ask for one).

For purposes of appeal to circuit court, the Respondent in this matter is the Department of Health Services. After filing the appeal with the appropriate court, it must be served on the Secretary of that Department, either personally or by certified mail.
